

Becoming an Overcomer: Discover the Key to a Victorious Spiritual Life, presented by Kimberly Krueger, is for women who are hungry for more of God and less of themselves. It is for women who want to be Overcomers! Kimberly's talk includes: What is the practice of the Presence of God? What are the foundational truths you need to know and believe to practice God's Presence? What are the Blessings of His Presence? How do we practice God's Presence?

Kimberly has been walking with the Lord for 26 years, but it has been more recently that she has learned to practice the Presence of God. She has experienced first-hand the spiritual, mental and emotional victory that comes with this practice. She's now on a mission to foster this desire in women everywhere - and to show them how to do it. At this one day retreat you will discover...

- ❖ God's foremost desire for you
- ❖ The one thing that truly fulfills the human soul
- ❖ How to see God's supply flow to every area of your life
- ❖ How to be set free to pursue God's Presence
- ❖ How simple the practice of God's Presence truly is
- ❖ The most powerful (and simple) prayer to pray for spiritual victory
- ❖ The Blessings promised when in God's Presence
- ❖ How to easily enter God's Presence anywhere, anytime

You will leave this event inspired and prepared to live in and love the precious Presence of our God.

Kimberly Krueger has overcome some of life's toughest struggles with beauty, dignity and grace; with her eyes looking up and never looking back. As a third-generation entrepreneur, she has set her goals set high and continues to reach higher while helping women to see their true value and reach their God-given potential. Her mission is to empower women to live extraordinary lives and tell their stories. Through *The Fellowship of Extraordinary Women* and FEW International Publications, she is doing just that—by leaps and bounds. Kimberly says that her greatest accomplishment in life is being a wife, mother to twelve children and “Noni” to her gorgeous grandchildren. Her closest friends will tell you that she is “a mom to many and a friend to all.” For fun, she transforms into a ‘Biker Chic,’ and rides alongside her husband, Scott, on her Harley-Davidson® Road King.
